8 Oct - 9 min - Uploaded by the land of the free and the home of the braveIn the ensuing years, a tight-knit band of U.S. pilots would fight back, with the young men who had been sent to fight for their lives against the Japanese invaders serving as their inspiration.23 Apr - 11 min - Uploaded by Anthony A. GoodmanSpeaker Bio. Dr. Anthony A. Goodman is a developmental psychologist and Professor of Psychology at the University of Nevada, Las Vegas. Dr. Goodman's research and teaching focus on the impact of early experiences on learning and development, including minority mental health. He has published more than 100 research papers and has written for a wide variety of periodicals and books including Psychological Science. Forever Red Hot: Ground War - Pacific Theater, World War II and Beyond. Tackles the questions of why we fight war and how we fight war. d. He's going to be an American soldier, or a Norwegian soldier, or a Japanese soldier, and he's going to fight on. People who joined the Army or went to the Navy and never even left their high school, never left their hometown, never left their neighborhood - these are the people that made the greatest contribution to fighting the war. George DeMoss, an Army combat historian, in a BBC programme about the memory of the Battle of Hürtgen Forest. The Honor of the Fleet - A Naval Saga of the Pacific War - Yale Univ THE OPPOSING FORCES AND THEIR CONDITIONS OF SURVIVAL. Walter A. McDougall, The Unsinkable Fighting Ships - A History of the American Navy from 1775 to 1970 (Oxford University Press, 1970), 46-47.

---

According to two U.S. admirals, intelligence on the Japanese situation in the Pacific in September 1941 was not at all indicative of a desperate situation. Colonel Laurence Safford, naval intelligence officer, naval officer in command of the Hawaiian, Guam, and Palau Islands, and commander of a secret unit codenamed 'Task Force 38'. Walter A. McDougall, *The Fighting Ships - A History of the U.S. Navy from 1775 to the Present* (Griffin-Michah, New York, 2000), p. On 24 September 1941, the Japanese attack force consisted of four battleships, two heavy cruisers, seven light cruisers, eleven destroyers and fourteen submarines, 82157476af
